

A Social Enterprise Powered By Harrisburg University

Kicking out COVID and having Cocktails and Conversations!

You are invited to join us for a virtual happy hour to meet and greet with people who are passionate about the world of STEM and who are STEM professionals! This will be an open networking event where we will talk about tips on how we are dealing with the pandemic and how to be successful professionals, parents, and people!

*Come meet new people, connect with
old friends and support one another!*
Bring a cocktail and come JOIN US!
